This is a petition for police protection. The amount collected from various parties are being repaid by the petitioners and the 7th respondent. It is the contention that the respondents 3 to 6 are making obstructions in repaying the amount. The counsel for the respondents 3 to 6 submitted that they are not making any obstructions and they want to see that the entire money is repaid.

2. In the above circumstances, Police is directed to see that necessary protection to the life of the petitioners is granted so that the amount can be repaid to the persons who have invested the money.

Writ petition is disposed of as above.
